

## Providing Video Comments & Testimony on Just and Equitable Transition to the Arizona Corporation Commission

### Video Instructions & Requirements:

- Video time limit is 2 minutes. Please make sure your video is within this time limit.
- If you are using a phone to film your interview, please film holding your phone sideways so your video is horizontal (not vertical).
- Place your camera or phone on a solid, flat surface when filming. This will help prevent shakiness and movement.
- Film your video in a quiet place with minimal background noise.
- Film your video in an area with plenty of light, and make sure your face is easy to see.
- Speak slowly and clearly so viewers can hear your testimony.
- Please introduce yourself at the beginning of your video, including your name and where you live. (“My name is \_\_\_\_\_ and I live in \_\_\_\_\_”).

### Submitting Your Video:

- Upload your completed video (must be .mp4, .mov, .avi, .mpg) at [www.EmpoweredTransition.org](http://www.EmpoweredTransition.org). Include your full name and email address when submitting your video.

**When you submit your video, you are giving the Empowered Transition team permission to use it at formal Arizona Corporation Commission proceedings, submit your video into relevant dockets at the Commission, edit your video for length and/or clarity, and use your video for media purposes including social media and on the Empowered Transition website.**
